

Setting up Microsoft Office 365 Accounts

1. Go to www.office.com

Sign in to use your favorite productivity apps from any device

2. Click on Sign In
3. Enter your new student email address like this firstname.lastname@my.allstatecareer.edu . John Smith would be john.smith@my.allstatecareer.edu . Your name should be entered exactly as it is shown in your Campus Portal.
4. You will be directed to an email verification page. The email will be sent to the email address you have listed on your Campus Portal. Go to that email account, retrieve the 6-digit code and type it in.
5. You will need to set a password.
6. You will be directed toward your Office365 Dashboard as shown below.

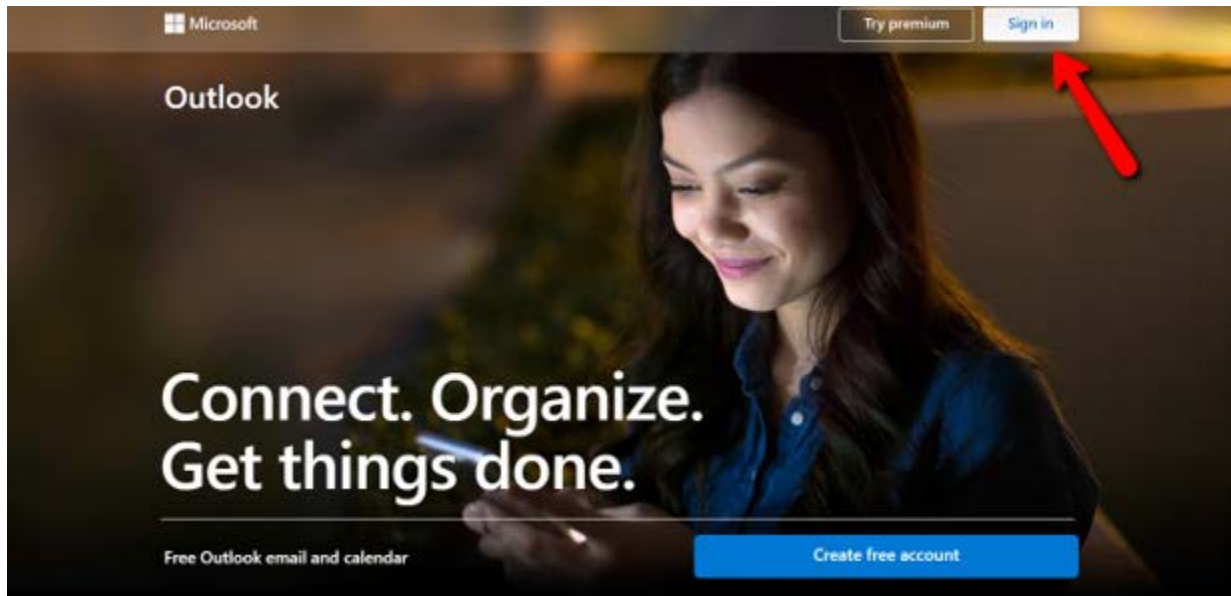

Setting up Microsoft Office 365 Accounts

7. From here, you can launch applications or if you are accessing the page from a PC or MAC, you can download applications to your computer. Simply click on the "Install Office" and follow the prompts. On Chromebooks, Office365 must be used with the web browser. You cannot download full Office applications onto your Chromebook.
 - a. You can access your Office365 Account from any computer by going to www.office.com and logging in with your student email and password as you have just set them up.
8. Support videos and other training for Office365 may be found at <https://support.office.com/en-us/office-training-center>
9. If you need with your email or are having problems logging in, please visit the Student Technology Support Desk at <https://www.allstatecareer.edu/career-services/student-technology-center.html>
